

PRICE LIST

IMPORTANT INFORMATION

In the following price pages you will find price levels defined by the colours blue (high season), orange (mid season) & green (low season). All fares shown in the tables for transportation only are one-way fares.

Our prices always include couchette onboard.

COUCHETTES

Couchette cabins have 6 or 9 berths, which are not made-up. Couchette cabins are located below the car deck. Should you prefer a better berth/cabin than couchette, to determine the cost please add the supplement for the selected berth/cabin from the »Berth/Cabin supplement« table.

COUPLES TRAVELLING TOGETHER

We suggest »Cabin with 2 bunks or 2 lower berths« for couples travelling together and want a cabin to themselves.

FAMILY CABINS

Family cabins can only be booked together with a vehicle package for up to 4 persons.

SHARED CABINS

Shared cabins are divided into male & female share. This also applies for mother/son or father/daughter. Infants 0-4 years are not permitted to travel in shared cabins.

CHILDREN UNDER 18 YEARS

Children under 18 years are not permitted to travel without guardian.

MEALS ONBOARD

Meals onboard are not included the fares unless otherwise stated.

VEHICLE PACKAGES

INFORMATION ABOUT ACCOMMODATION IN ICELAND

BOUTIQUE ACCOMMODATION

Accommodation is at the nicest hotels in the country. Mostly hotels are used for this tour, but accommodation can also be at farms. One hotel can be very small and personal, while another is special because of its wonderful surroundings, and a third one features extra luxury. In all the hotels the rooms have private facilities, and in many a TV and telephone are available. Dinner and beverages may be purchased at the hotels or within walking distance.

ACCOMMODATION WITH EN SUITE FACILITIES

Accommodation can be at hotels, boarding schools or at farms, where the stables have been changed into nice hotel rooms and some farms have built completely new wings with rooms. All the hotels have private facilities and in many TV and telephone is available. Dinner and beverage can be purchased at the hotels or within walking distance.

ACCOMMODATION WITHOUT EN SUITE FACILITIES

Accommodation can be at summer hotels, guesthouses or at farms. Guesthouse accommodation has rooms without private facilities, but some of them have a wash basin in the room. Toilets and showers are mostly situated in the corridor. It might therefore be a good idea to bring a robe, to wear when you go out of your room for a visit to the bathroom. Some of the rooms have TV and/or telephone.

IT IS POSSIBLE TO START YOUR OUTBOUND DEPARTURE FROM BERGEN OR SCRABSTER INSTEAD OF HANSTHÖLM WHEN BOOKING A ICELAND PACKAGE INCL. ACCOMMODATION. PLEASE REQUEST FOR A PACKAGE PRICE AT YOUR SMYRIL LINE SALES OFFICE

Before going back to the ship you can enjoy light refreshments from the Icelandic Home Bakery. This tour includes guide, refreshments and entrance fee.

Wednesday: Experience lake Lögurinn, the waterfall Hengifoss and Iceland's biggest forest Hallormsstaðaskógur. Enjoy local food in Skriðuklaustur restaurant and culture house. Shop and go for a relaxing swim in the geothermal pool in Egilsstaðir. End the tour with the sight of some of Iceland's fantastic waterfalls. This tour includes transport, guide, lunch buffé and entrance fee. Overnight between Tuesday and Wednesday is onboard. Both tours require min. 4 persons.

MÝVATN TOUR (TUESDAY/WEDNESDAY)

We also visit Mývatn Nature bath where you can enjoy a relaxing swim in the geothermal waters. The tour includes bus transportation (no guide), one lunch, one dinner, one entrance to the nature bath, one breakfast and one night at a 3-star hotel. All rooms have en suite facilities. EXCURSIONS – FAROE ISLANDS

EYSTUROY TOUR (MONDAY)

Guests are collected at the ferry terminal and driven to Eysturoy. We cross a bridge above the Atlantic on our way to idyllic small villages and breath-taking landscapes. The sights include lake Toftavatn near the east coast of the Skálafjörður fjord. Toftavatn is one of the most beautiful lakes in the Faroes and it is surrounded by very rich fauna, flora and the largest area of heather in the Faroes. Visit the woolwear shop in Gøtu, where it is possible to purchase their beautiful products. Lunch is enjoyed en route. This tour includes bus transportation, guide, lunch and entrance fee.

KIRKJUBÓUR TOUR (THURSDAY)

Guests are collected at the ferry terminal and driven to Kirkjubó, the cultural centre of the Faroe Islands. Kirkjubóur is the southernmost village on Streymoy. The village was important in the middle ages, as it was the spiritual centre of the society. In those days the village was said to have had around 50 houses. The majority of these houses were washed away by a fierce storm in the 16th century. See the 900-year-old Roystkovan, which is still inhabited. St. Olaf's Church from 1111 was named after King Olaf the Holy and is the oldest church in the Faroe Islands. It is still in use. We also visit the ruins of St. Magnus Cathedral, which is considered the greatest cultural attraction in the Faroes. In 1151 a little boy was born in a cave above Kirkjubóur. He would grow to be King Sverre of Norway. This tour includes bus transportation, guide and entrance fee.
